# TAFE at School Course Guide

Greater Brisbane

MAKE  
GREAT  
HAPPEN

# Welcome

## from the CEO

TAFE Queensland has proudly served Queensland's communities as the largest, most experienced vocational education and training (VET) provider in the state for over 140 years. Our training is delivered to more than 144,000 students each year at over 60 locations across Queensland, and we offer more than 400 practical, industry-relevant courses ranging from entry-level certificates to bachelor degrees.

Specifically designed to help you get more out of high school, TAFE Queensland also offers a range of courses as part of our TAFE at School program. The TAFE at School program is for students in Years 11 or 12 who want to undertake VET study with TAFE Queensland as part of their high school curriculum. TAFE at School fits around your existing studies, with options to study at TAFE Queensland, in selected schools, or in the workplace as a school-based apprentice or trainee.

Completing a qualification through our TAFE at School program also gives you direct entry into most of our courses at TAFE Queensland, access to a variety of university pathways, and multiple ways to get started on your career or trade qualification.

This guide features a range of information about the TAFE at School program, from courses to university pathways and intakes to payment options, as well as information tailored for your parents and schools. For further information you can also visit our website at [tafeqld.edu.au/school-students](http://tafeqld.edu.au/school-students), call 1300 308 233, or visit your local campus customer service team.

I encourage you to speak to your teachers, VET coordinator and/or guidance counsellor, friends and family about your future. You define your greatness, and TAFE Queensland has an option and pathway that is right for you in 2026 and beyond.

**John Tucker**

Chief Executive Officer  
TAFE Queensland

TAFE Queensland acknowledge the Traditional Custodians of Country throughout Australia and respect the continuing connection to land, waters, cultures and family that Aboriginal and Torres Strait Islander peoples uphold. We pay respect to Elders past, present and future. We recognise that teaching and learning has taken place on Country for over 60,000 years and two-way learning is an important part of our reconciliation journey.

# Get Career Ready at high school with **TAFE at School**

If you're a Year 11 or 12 student you may be able to complete a TAFE Queensland qualification while you're still at school.

Choose from a variety of certificate I to diploma courses from a range of study areas from construction to community services, hospitality to health care and everything in between.

### **i Disclaimer**

#### **What's new in 2026**

A new Career Ready VET in schools program is being developed as part of the Queensland Training Priorities Plan 2024–25 to help school students make good career and training choices, so they can leave school career-ready, informed and confident in what their future holds.

The Career Ready program will replace the VETiS program and will be further developed in consultation with stakeholders and implemented in a staged approach from 2026. More information and program guidelines will be available at [\*\*desbt.qld.gov.au/vetis\*\*](https://desbt.qld.gov.au/vetis)

Information current as at March 2025 derived from the Department of Trade, Employment and Training website.

# Studying at TAFE

## Why study at TAFE Queensland?

TAFE Queensland is the largest, most experienced training provider in the state, with a history of serving Queensland's communities for more than 140 years. We offer more than 400 practical, industry-relevant courses from entry-level certificates to bachelor degrees. Our training is delivered to over 144,000 students each year across more than 60 locations in Queensland.

In 2023-24 we trained

**144,000** students

**100%**

of our diploma and higher-level courses have diploma-to-degree pathways

We have an

**89.5% student satisfaction rating**

(and we're working very hard on the other 10.5%)

We have a

**93.1% employer satisfaction rating**

**Every \$1 spent**

by TAFE Queensland supports  
**\$2.55 of added-value**  
in the Queensland economy

**Over 60**

locations

**Over 86%**

of our graduates go on to work or further study\*

\*TAFE Queensland Annual Report 2023-24

# TAFE at School

## Benefits of TAFE at School

- Fits around your senior studies
- Get valuable Queensland Certificate of Education (QCE) credits
- May contribute to your Australian Tertiary Admissions Rank (ATAR)
- Direct entry to any related TAFE Queensland course\*
- Open up a variety of university pathways
- Gain credits towards an apprenticeship, diploma or university studies
- Build practical skills in an adult learning environment
- Get work ready

## Flexible study options

TAFE Queensland offers flexible study options so you can gain a VET qualification while you're still at school in a way that best suits you.

### On campus

TAFE Queensland offers some of the best training facilities in the state, with advanced, industry-standard workspaces and classrooms. All training is delivered in an adult learning environment so you'll get a taste of what it's like to study in a higher education setting. You'll also learn from our highly-qualified teachers and benefit from their vast experience.

### At school

Many Queensland schools have partnered with TAFE Queensland to deliver vocational qualifications. School teachers are given specific training so they are qualified to deliver TAFE Queensland courses. Even if you undertake your training at school, you will still receive a TAFE Queensland qualification when you complete your course.

### Industry experience

Some TAFE at School courses require you to complete work placements, or in some instances to work in the industry. This gives you the opportunity to build your skills and confidence dealing with real-life situations. Work placement requirements should be discussed with your teacher prior to commencement of study.

## Year 10 Career Tasters

TAFE Queensland's Career Tasters program is the perfect opportunity for Year 10 students to explore exciting career pathways in a fun, hands-on environment. The program includes interactive activities, industry insights and practical sessions - giving students a real-world look at potential careers.

## School-based apprenticeship or traineeship

TAFE Queensland offers both school-based apprenticeships and traineeships, which get you work-ready and a step ahead of your peers.

Becoming a school-based apprentice or trainee gives you skills in a vocation or trade and allows you to earn money while you're still at school. A school-based apprenticeship or traineeship also contributes credits towards your Queensland Certificate of Education (QCE).

After selecting the industry you are interested in and talking with your school and parents/guardians, your next step is to secure employment as an apprentice or trainee. An employer can be found through family and friends, by directly contacting employers and group training organisations, or by applying for advertised jobs.

Once you have secured an apprenticeship or traineeship, just let your employer know you want to study with us.

School-based apprentices and trainees do not pay fees for training at TAFE Queensland, this is funded by the Queensland Government; however you may need to pay some costs for tools and compulsory personal protective equipment, which we will outline upon enrolment. When you become a full-time apprentice or trainee after completing Year 12, you may be eligible for fee-free training for the remainder of your apprenticeship.

For more information about school-based apprenticeships or traineeships call **1800 210 210** or visit [desbt.qld.gov.au/training](https://desbt.qld.gov.au/training).

Enrolment into TAFE at School courses is subject to eligibility requirements. Talk to your VET coordinator or guidance counsellor, or visit our website for more information.

\* Eligibility conditions apply. Talk to your VET coordinator or guidance counsellor, or visit our website for more information.

\*\* Additional entry requirements may apply for select courses.

# Important information

## Term dates 2026

TAFE Queensland term dates align with Queensland school terms to fit with your senior studies.

QUEENSLAND SCHOOLS			TAFE QUEENSLAND		
TERM 1	START	Tuesday 27 January	START	Monday 2 February	
	FINISH	Thursday 2 April	FINISH	Thursday 2 April	
TERM 2	START	Monday 20 April	START	Monday 20 April	
	FINISH	Friday 26 June	FINISH	Friday 26 June	
TERM 3	START	Monday 13 July	START	Monday 13 July	
	FINISH	Friday 18 September	FINISH	Friday 18 September	
TERM 4	START	Tuesday 6 October	START	Tuesday 6 October	
	FINISH	Friday 11 December	FINISH	Friday 23 October	

Most TAFE at School courses have intakes in Semester 1 and/or Semester 2, so you can choose to start studying at a time that suits you.

## Student support

Everyone's journey is different and sometimes you need some extra support to achieve your study goals. We're here to help. At TAFE Queensland our student support services are available for all of our students, making your learning experience just that little bit easier.

Learn more at [tafeqld.edu.au/studentsupport](https://tafeqld.edu.au/studentsupport).

If you are a TAFE at School student, your regular school support programs are also responsible for ensuring you receive appropriate levels of support while at TAFE. It is expected that if your school normally provides you with a participation assistant or similar for day-to-day learning or personal support, then they also provide this support when you attend your TAFE at School course.

## Cost and payment options

Costs vary from course-to-course and you can check our website for the most up-to-date prices. You may be eligible for a range of fee-free TAFE at School courses, covered under Career Ready funding, this is funded by the Queensland Government. The courses advertised as Career Ready funded in this guide are only applicable if you have not accessed Career Ready funding in the past.

For further information, please refer to [desbt.qld.gov.au/training/providers/funded/vetis](https://desbt.qld.gov.au/training/providers/funded/vetis). Eligible students are entitled to one Career Ready funded program only.

Payment plans may also be available to assist with payment of your course; however if you're under 18 you will need a guarantor. Applications will be subject to credit checks.

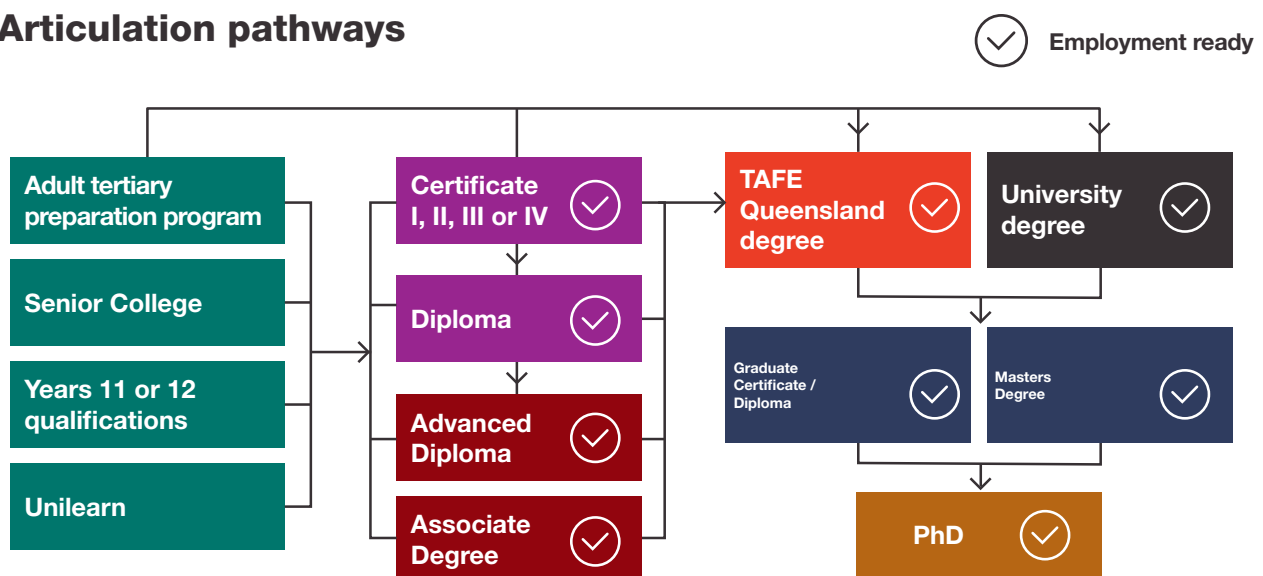

For information about our withdrawal and refund policy, please visit the TAFE Queensland website: [tafeqld.edu.au/policies](https://tafeqld.edu.au/policies).

# Pathways to your future

TAFE Queensland has a range of pathway options that can get you started on your university degree sooner. If you didn't finish Year 12, complete the required prerequisites, or get the ATAR you needed, TAFE Queensland can help you get into your preferred university degree.

## Articulation pathways

## Our partner universities and higher education providers

There's more than one way to get into your dream university degree. TAFE Queensland has a range of pathway options and partners that can get you started on your university degree sooner.

# Our locations

No other provider can match TAFE Queensland for scale and location options. With more than 60 locations across the state, we have Queensland covered, no matter where you are.

To view all of our locations, visit [tafeqld.edu.au/locations](https://tafeqld.edu.au/locations).

Brisbane ●

## Our facilities

Step into our purpose-built facilities where you will learn hands-on using the same tools and equipment used in industry. Put your theory into practice straight away in our clinical labs, salons, training restaurants, creative spaces, and trades workshops. Develop your skills, ability, and confidence and gain the practical experience you need to graduate job ready.

For more information visit [tafeqld.edu.au/facilities](https://tafeqld.edu.au/facilities)

# Post-school options

## Become an apprentice or trainee

Learn hands on with the same equipment and tools used in industry, combining working for an employer and studying at TAFE Queensland, and graduate with a nationally-recognised qualification.

Applying for an apprenticeship or traineeship is very similar to applying for any other job. You need to have a current resume that lists your education, interests and referees. Studying a TAFE at School pre-apprenticeship course can boost your chances of landing your dream job by demonstrating to a potential employer that you're actively interested in their industry.

The first step is to visit an Apprenticeship Network Provider (ANP) to help connect you with an employer. Once you have secured your apprenticeship, talk to your employer about choosing TAFE Queensland as your training provider. Your employer will sort out the formalities of your training contract directly with TAFE Queensland.

For more information visit [tafeqld.edu.au/apprentices](https://tafeqld.edu.au/apprentices).

## Apply for a TAFE Queensland certificate or diploma

After successfully completing a TAFE at School course/s you may be eligible for direct entry into any related TAFE Queensland diploma.

It's as simple as getting in contact with us and letting us know which course you want to study.

Check out our website to see our full range of courses, from certificates through to diplomas and degrees at [tafeqld.edu.au/courses](https://tafeqld.edu.au/courses).

## Get ready for university

If you need to complete additional prerequisites for university during or after high school, Unilearn is the perfect option. You can study a range of subjects from maths and science to senior English.

With the ability to study online and after hours, you can easily add a Unilearn subject or two to your senior schooling years. Unilearn subjects can also provide additional Queensland Certificate of Education (QCE) credit points.

Alternatively if you want to increase your tertiary admissions rank, our Adult Tertiary Preparation (ATP) course can help you achieve your goals.

For more information visit [tafeqld.edu.au/atp](https://tafeqld.edu.au/atp).

## Go to university

There's more than one way to get into your dream university course. Successfully completing a diploma at TAFE Queensland can help secure you a place in a bachelor degree through our partnerships with local universities.

Many of our diploma courses have formal articulation arrangements with some of Australia's top universities. In those cases, you can enter your university degree straight into second year, meaning you will receive a diploma and a degree in the same amount of time it usually takes to complete a degree on its own.

For more information visit [tafeqld.edu.au/pathways](https://tafeqld.edu.au/pathways).

# Information for schools

Designed to deliver practical, workplace-specific skills and knowledge, VET covers a wide range of careers and industries. If you find that your students struggle in a traditional classroom, or if they're tactile learners, VET may be where they will really shine.

## How TAFE Queensland can help

With more than 400 nationally-recognised qualifications from entry-level certificates to bachelor degrees, studying at TAFE Queensland gives your students access to multiple pathways to get a head start on their careers.

They will learn in industry-standard facilities, have access to a range of student support services, be able to take advantage of a wide range of university pathway options, and so much more.

For more information visit [tafeqld.edu.au/advisors](https://tafeqld.edu.au/advisors).

## Partnership with schools program

TAFE Queensland's Partnership with Schools Program means school teachers can deliver training to their students at their own school. TAFE Queensland provides the school with mentor support, learning and assessment resources, and advice on training delivery and student assessment to ensure the delivery of the highest standard of industry-relevant training.

Even though students are completing their training at school, they are enrolled with TAFE Queensland and are issued with a TAFE Queensland qualification on completion of their studies.

To discuss a customised partnership arrangement for your school, please contact your local TAFE at School team.

### Training for school teachers

TAFE Queensland offers low-cost training for school teachers with relevant industry experience so they can deliver VET programs at their school.

Teachers can train in certificate I and II courses relevant to the delivery of TAFE at School courses, as well as higher level qualifications for teachers who want to broaden their skills.

Teachers with existing industry-related experience may be eligible for Recognition of Prior Learning (RPL) to earn a full or partial qualification, with gap training available.

## IVET online portal

TAFE Queensland has partnered with IVET to deliver greater timetable and delivery flexibility for teachers. IVET provides an online portal that enables teachers to have instant access to student progress, course information, digital resources, classroom management, PD logging, compliance, teacher qualification management, and more.

IVET currently facilitates a selection of TAFE at School courses across a range of study areas, and more will be added as development continues.

## Teacher aide training

TAFE Queensland also provides nationally-recognised training for teacher aides. Our strong relationships with schools means we can provide opportunities for your staff to gain knowledge and skills across a wide variety of workplace settings.

For more information visit [tafeqld.edu.au/education-support](https://tafeqld.edu.au/education-support) or contact us today.

# Information for parents and guardians

It's tough being a teenager in their final years of school, trying to decide what to do with the rest of their lives. The pressure's on as early as Year 10 and it feels like results and choices will make or break their future.

It can be tough for parents too. Knowing when to intervene or when to take a step back seems impossible at times. But your behind-the-scenes role is crucial to their success.

## About vocational education and training

University is not for everyone. Vocational training is not for everyone. Education is for everyone.

Most careers need some form of education and training. But they don't all require a university degree. There are a variety of reasons your child or students should consider vocational education and training (VET). Perhaps they want to enter a trade, test out an industry, gain Queensland Certificate of Education (QCE) credits, or maybe they just need to improve or contribute towards their Australian Tertiary Admission Rank (ATAR).

## Why TAFE Queensland

Not everyone learns in the same way or at the same pace. At TAFE Queensland there are as many options as there are individuals with pathway options to suit your child's needs and help them kick start their career.

For more information visit [tafeqld.edu.au/parents](https://tafeqld.edu.au/parents).

## Busting VET myths

Skills Australia has debunked some of the most common misconceptions about vocational education and training in Australia<sup>1</sup>.

**MYTH:** Almost 30 per cent of Australians believe that university graduates find work more easily than VET graduates.

**FACT:** VET graduates have a higher employment rate than university graduates. The average employment rate of a VET graduate is 78 per cent (it's 69 per cent for university graduates).

**MYTH:** One in five Australians believe that VET graduates earn less than university graduates.

**FACT:** The average VET graduate actually earns similar wages to, if not more than, an average university graduate.

**MYTH:** Three in five Australians believe we need university education more than VET to thrive in a globally competitive world. Almost half those people think VET is no longer as relevant as university education.

**FACT:** VET aims to provide the skills we need to keep up with our quickly changing employment and industry trends. Additionally VET provides courses for nine out of 10 occupations predicted to have the greatest growth of new jobs over the next five years.

<sup>1</sup> Perceptions are Not Reality, 2017.

# Study areas

Whether you dream of a career in nursing, hospitality, business, IT, education, community services or a trade, TAFE Queensland has the course options to kick-start your career.

Whether you're pursuing a career in management, human resources, marketing, accounting, or finance – we have a course to suit your business goals.

Discover a challenging and meaningful career in legal services, crime and justice, or government and public service, and ensure you're at the forefront of the latest developments with our industry-based IT courses.

Whether you're pursuing a career in management, human resources, marketing, accounting, or finance – we have a course to suit your business goals.

Discover a challenging and meaningful career in legal services, crime and justice, or government and public service, and ensure you're at the forefront of the latest developments with our industry-based IT courses.

You can develop hands-on skills for a rewarding career in early childhood education and care or education support and give children a fun, safe and supportive environment to learn and grow. Or you can work to promote the safety and well-being of children, families, and at-risk people in community services.

Our practical courses will qualify you to work across a wide range of jobs in agriculture, horticulture and floristry. Or if working with creatures great and small is your goal, we'll give you the skills you need to launch your career in animal or veterinary services.

From our Rural Centre of Excellence and horticulture precincts, to fully equipped pet grooming salon and veterinary clinic, you'll graduate job ready with skills employers want.

## Health and science

32

TAFE Queensland offers practical, hands-on training that develops the skills you need to make a difference as a nurse, Aboriginal and Torres Strait Islander health care worker, pathology assistant, remedial massage therapist, and more.

Our purpose-built facilities feature industry-standard equipment and the latest in technology, so you can put theory into practice straight away. Combined with experienced teachers and vocational placements, you'll graduate with skills employers want.

## Infrastructure and transport

41

Infrastructure and transport are booming across the state, country and globe, opening the door for the next generation to create exciting careers in the industry.

## Service industries

43

Create an exciting and memorable career in events and travel, hair and beauty, hospitality and cookery, or the retail industry when you study one or more of our service industries courses.

At TAFE Queensland you'll not only learn the theory, but you'll develop hands-on skills and get real-world experience to give you the advantage in your industry of choice.

Learn using industry-standard equipment and technology in our purpose-built facilities. Get the skills, knowledge and confidence to work with clients and bring your career to life.

## Trades

51

Develop the practical skills to work across a wide range of trade areas and specialisations including electrotechnology and refrigeration, building and construction, engineering and manufacturing, automotive, and safety.

No matter what qualification you choose, at TAFE Queensland you will learn from experienced teachers using industry-standard equipment and technology in our purpose-built facilities. You'll graduate with the skills you need to establish a rewarding career.

## How to apply

To submit an application for a TAFE at School course, visit [tafeapply.com](https://tafeapply.com)

You'll need the application code for the course in the location you want to apply for. These can be found on the following two pages of this guide. You will also need your Learner Unique Identifier (LUI) and Unique Student Identifier (USI) numbers. If you don't have a USI yet, head to [www.usi.gov.au](https://www.usi.gov.au) to get one.

**Applications open 21 July 2025**

# ACADEMY OF SPORT

## TAFE at School Program

The Academy of Sport TAFE at School program promotes excellence by equipping senior high school sports enthusiasts with the right tools to pursue success in and outside the sporting arena. Various sporting codes and locations are available in 2025, with students undertaking regular practical sessions, guest speaker workshops and building athlete development knowledge throughout the program. Sessions are split between theory and hands-on delivery to advance the learning experience.

This innovative program partners with peak Queensland sporting clubs and bodies, allowing students to develop the skills and knowledge in a sport-specific learning environment one (1) day per week. Providing them with a valuable behind-the-scenes experience they would no get anywhere else.

Learn in an  
active sporting  
environment

Taught by  
sporting  
experts

Develop your  
skills and  
lead practice  
sessions

Meet top-level  
athletes and  
club reps

Connect with  
athletes from  
other schools

Advance your

- Marine Radio Operator's VHF and HF Skill Set (MARSS00010)

\* Eligibility criteria apply. Refer to [desbt.qld.gov.au/vetis](https://desbt.qld.gov.au/vetis)

# AEROSCIENCE AVIATION THEORY COURSE

**Your path to an exciting  
career in aviation**

TAFE Queensland has partnered with CBT Systems Pty Ltd to bring the Aeroscience Aviation Theory course to Australian students. Set yourself apart from the crowd and gain the specialised knowledge required to excel in an aviation tertiary-level course or to gain your Private Pilot Licence (PPL) with the Civil Aviation Safety Authority (CASA).

Delivered entirely online, this non-accredited course is two (2) modules, each with four (4) subjects comprised of easy-to-follow videos and quizzes. Gain the knowledge you need to pursue careers in aviation such as a pilot, aeronautical engineer, air traffic controller, and many more.

NONAC03203 Aeroscience Aviation Theory 1
Subject name
Aerodynamics
General aeronautical knowledge
Human factors
Meteorology

NONAC03204 Aeroscience Aviation Theory 2
Subject name
Air law
Flight radio
Air navigation
Air operations performance and planning

\* Students must successfully complete Module 1 before enrolling in Module 2.
