Access arrangements and reasonable adjustments (AARA)

Medical reports may only be completed by the student's general practitioner (GP), medical specialist, or psychologist (registered under Queensland's *Health Practitioner Regulation National Law Act 2009*). The health professional providing a report must not be related to the student or employed by the school. The information provided needs to be current and relate to the relevant assessment period.

Information provided in this report is treated in strictest confidence and is only used for the purpose of determining the student's AARA application.

If the health professional does not use this report form, they must supply a current medical report containing all of the following information.

For more information, refer to **About this report** on the last page.

## About this report

### Access arrangements and reasonable adjustments (AARA)

Some students may have disability, impairment and/or medical conditions, or experience other circumstances that may be a barrier to their performance in assessment. Access arrangements and reasonable adjustments (AARA) are designed to assist these students.

#### Illness and misadventure

Students may also experience unforeseen circumstances that may be a barrier to their performance in assessment, such as a significant deterioration of an existing medical condition, or experiencing a natural disaster, accident or significant cultural obligation. These students may be eligible for illness and misadventure adjustments.

#### Submitting this report

The QCAA requires a medical report for medical claims for AARA or illness and misadventure. Once complete, submit this report as part of an AARA application via the QCAA Portal.
