International Student Spotlight

Francesca from Italy

For Francesca, studying abroad was always a dream. After hearing great things about Corinda State High School from past students and family friends, she knew it was the right choice.

A home away from home: Francesca's Homestay experience has been one of the most special parts of her journey. When she first arrived, her Homestay family left a card in her room to welcome her, a thoughtful gesture she will never forget.

Living with a host mother (pictured above right) and father, three siblings and two dogs has made her feel part of a busy and caring family. Coming from Italy, where she has one brother, she especially enjoys being surrounded by siblings, something she had always hoped for. Having dogs in the home has also brought her comfort, reminding her of her own pet back in Italy and helping the house feel familiar and warm.

First impressions: Arriving at Corinda SHS, Francesca was surprised by the size of the school. She quickly discovered it was not only large but also a beautiful campus surrounded by nature, making it a unique and welcoming place to learn.

Growing in confidence: Since arriving, Francesca has seen a big improvement in her English. What once felt overwhelming is now much easier, helping her feel more confident in class and in everyday conversations.
