International Student Spotlight

Viet from Vietnam

Starting at Corinda State High School has been an exciting adventure for Viet. From the moment he arrived, he was impressed by how friendly and welcoming everyone was.

A supportive environment: Viet appreciates how much teachers care for students and support their wellbeing, creating a positive environment where he feels encouraged and supported each day.

Exploring Australia: Excursions have been an exciting part of Viet's experience. Visiting Lone Pine Koala Sanctuary and seeing kangaroos for the first time gave him a deeper understanding of Australian culture. A favourite school memory was visiting Movie World with other International students.

Sport and activities: Joining the Corinda SHS's after school Badminton Club has been a highlight for Viet. He enjoys staying active through sport and hopes to participate in even more activities at Corinda SHS, as sport helps him feel confident connecting with friends and teachers. A proud moment was coming first in badminton at Gala Day during his first interschool competition.

Life in Australia: Viet enjoys Australia's lifestyle, economy and living environment, which have made studying abroad a positive and memorable experience.
